

GOOD GRIEF! THE  
GLOBE'S POPULATION  
IS GOING TO DOUBLE  
BY 2025 AND WE'RE  
RUNNING OUT OF  
OUR NATURAL  
RESOURCES -  
INCLUDING  
WATER!

AND THIRD WORLD ALIENS  
ARE POURING IN SO FAST,  
THEY'LL TURN THE U.S. INTO  
AN OVERCROWDED,  
POVERTY-STRICKEN, THIRD-  
WORLD COUNTRY BY 2030!

OH, WELL... WE WON'T  
BE AROUND **THEN**, SO  
DON'T WORRY ABOUT IT.

THAT'S EASY FOR  
**HIM** TO SAY!
